

# FAQs

## **What are the scenes you have to film?**

We have a variety of scenes to suit all ages, that focus on comedy, drama, and character. Scenes are sent out once we have the majority of people booked so that the selection made suits the needs of those doing the filming.

## **Are the scenes reused?**

We do not reuse scenes. Each reel deal occasion will have its own separate scenes to choose from that have not been previously filmed.

## **Will I have to be on set all day?**

No. You only have to be on set for the film that you are scheduled for, and if there are any scenes that may need extras in the background. If you have other plans between scenes and cannot make it to be an extra, please let us know a week ahead of time, and we will not schedule you.

## **Do I have to provide my own Wardrobe and props?**

You do need to provide your own wardrobe (unless indicated it will be provided by the team). Most props will be provided by the team, unless there is something special you wish to add to the scene requiring a specific prop. Please talk to the director ahead of time with these ideas so they can be planned for properly.

## **Is food provided?**

Yes. Breakfast, Lunch, and Dinner are all provided on set for the Reel Deal.

## **When will I get my reel?**

You will get your reel professionally edited guaranteed 30 days from the day of the shoot.
